Dear Vendor,

We are excited to welcome the Garlic Fest back to Webster!

Proceeds from the festival will benefit Wreaths Across America, a National non-profit program. In 2022, the Webster community sponsored enough wreaths to honor and remember all 650 veterans resting in Webster Union Cemetery. On Wreath Day, hundreds from the community placed veteran wreaths on the graves of our fallen heroes.

Proceeds from the 2023 Webster Garlic Fest will help us honor and remember even more veterans in Webster cemeteries on National Wreath Day, December 16, 2023.

The NY8 Blue Star Mothers (local military families) will receive \$5 back from every \$17 sponsored veteran wreath. This money will be used to build Care Packages for locally deployed service members, help local military families in need, and provide support for local veterans.

If you are interested in participating in this two day festival, please complete the attached application. Deadline is Monday, July 31, 2023.
